

Melksham Community Area Partnership

Steering Group Meeting

NOTES

Monday 28 March 2011

Present: Chris Holden (Chair), Colin Goodhind (Vice-chair), Sarah Cardy, Thelma Carr, Wendy Lockett, Shirley McCarthy, Miriam Zaccarelli

1. Welcome and apologies

Apologies were received from Tim Jalland, Davina Griffin, Alfred Webbly.

2. Results and presentation draft

Miriam had prepared spreadsheets of the results of the consultation. The group looked at the results, identified the main themes and the statistics to support them.

There had been some discussion about who should present the results of the consultation and the Steering Group agreed that Chris would present the results. He would not present his paper on the library or express his own opinions.

An outline for a presentation to the AB was drafted and would be completed by Miriam before the meeting tomorrow and sent to Abbi for inclusion in the evening's slides. Miriam would meet with Chris during the day to go through it.

2. Date of Next Meeting

This would be decided after the Campus Consultation was complete.
